

Street Legal Motorcycle Club – Minnesota

JULY BOARD MINUTES (7/18/12)

Directors present: Mark “Stogie Greene and Malcolm “Brady” Terry.

Officers present: V.P. Barrie “Dead Skunk” Schumack, Road Captain Kevin “Stones” Snell, Quartermaster Rachel “Pockets” Donarski and Treasurer Thomas “Unc” Walgren.

Others present: Danny “Flasher” Greenstein

A quorum established and meeting called to order by VP Dead Skunk.

Old business: Review of final plans for Sturgis and reservation of Bunk House. Stogie let it be known that, despite the prior pronouncement that Col. Popper (and therefore Stogie) were done with Sturgis that he was going off the reservation and attending Sturgis this year. Flasher, however, was sitting his little whipped butt at home.

New business: Discussion held regarding participation in a biker day at the Renaissance Festival this fall. Papa provided emails regarding participation that Dead Skunk shared with the group. Stogie and Bradey both commented that they had no interest in standing in dirt fields directing traffic. It was not clear from the emails exactly what the organizer wanted or expected from the club. Matter tabled until more details could be obtained.

With no further business before the board, the meeting was adjourned so that we could go out on the street, smoke cigars, listen to Unc’s bad jokes, tease Flasher about not going to Sturgis and continue being generally ineffective.
